Offerings through e-Giving @ HTLC Online

Try e-Giving at HTLC Online now! ... This service is being made available at quite the opportune time! As you may be aware, we are still carrying over a deficit from the 2008 budget. As of April 6, 2008 we have approximately \$2500.00 remaining to be paid.

Here's an idea, let's see how we can put this tool to good work. Our current email list contains approximately 100 Holy Trinity Families. If each family on the list would commit to contribute a minimum of \$25.00 we could pay down the 2008 budget without having to borrow against our Congregational Fund. A goal of \$25.00 per family doesn't sound nearly as intimidating as \$2500.00 now does it.

Our Holy Trinity family has truly been blessed throughout the years. God has seen to it that we have the time, talent and resources to see to it that the programs that we provide as a Christian community are well attended, well staffed and fully financed. I'm sure as you prayerfully consider how to use this new tool to enhance your giving opportunities Holy Trinity will continue to do the work that Gods intends for us to do!

In the peace of Christ,

Terry Rowley
