██████████, 2016

Dear ██████████,

Greetings from Holy Trinity Evangelical Lutheran Church of Abington, Pennsylvania. Our church is a congregation of people of God, bound together in love. Our purpose is to glorify God in worship and to fulfill His will through spreading the Gospel of salvation in Jesus Christ to all humankind.

Holy Trinity Evangelical Lutheran Church has a history of supporting Christian organizations that we know minister to individuals' spiritual and physical needs in the name of Christ. Our support is offered through members of our congregation volunteering their time and in the use of our facility for meetings, food distribution, etc. Also, through bequests and offerings given by our church family, we are able to offer financial support.

It is with great joy and the knowledge that all blessings come from our Lord Jesus Christ that we enclose the attached check in the amount of ██████████ **Over the last few years** our church Council established procedures to allow members of our congregation to request financial support for organizations they felt were in accord with our mission statement. The enclosed check is a result of at least one request in your organization's name.

In addition to the enclosed check, it gives us pleasure to inform you of the possibility of receiving future donations in the year 2017. For you to be considered, we request a report on how the donation received during 2016 was used. Please forward your report to the above **address, attention: Mission Commitment Chairperson** no later than June 2017.

The fruit of your actions is a testament to the power of the Holy Spirit working within your organization. We are thankful to our Lord to be able to support your labors.

In Christ,
██████████
